13. **John CLARK**³ [15260], son of Uri CLARK [15326] and Hannah HYATT [15327], was born on 8 Dec 1800 in Cornwall, Litchfield County, CT.³ He died on 26 Jul 1855 in Danby, Tompkins County, NY.³

19. **Jemima CLARK**^{4 5 6 7} [7225], daughter of Uri CLARK [15326] and Hannah HYATT [15327], was born in 1816 in Tompkins County.^{8 4 7} She married **James WRIGHT** [148] bef 1831.⁴ She died on 23 May 1864 in Tioga County, NY.⁷ She was buried in Lounsbury Cemetery, Tioga County, NY.⁷

In the 1850 NY, Tompkins, Danby census, Jemima is listed as a person who cannot read or write. In the 1860 NY, Tioga, Tioga census, she is incorrectly shown as Anna with no indication that she cannot read or write.

James WRIGHT^{4 6} [148] was born in 1801 in New Jersey.^{8 7 9} He died on 3 Apr 1864 in Tioga County.⁷ He was buried in Lounsbury Cemetery.⁷

The death certificate of son, George W. Wright, lists his father as "John Wright". This error caused a many year delay in locating the correct parents of George W. Wright.

In the 1860 NY, Tioga, Tioga census the wife of James Wright is shown as "Anna". We believe this is in error as both James and Jemima are buried together in the Lounsbury Cemetery, Tioga County, NY. There is no evidence that James had other than one wife, Jemima Clark.

Find-A-Grave lists his birth year as 1810. This appears to be in error based on his age of 63 at the time of death in 1864 and the age reported on the 1850 and 1860 census.

Probate record from the village of Owego, County of Tioga, January 20, 1866.

- 22. **Polly A. CLARK**³ [15344], daughter of Uri CLARK [15326] and Hannah HYATT [15327], was born on 28 Sep 1832 in Tompkins County.³ She died in 1899.³

Fifth Generation

- 23. **Esther Miranda WRIGHT**^{d 11} [7228] (also known as Hestger MIRANDA , Hester), daughter of James WRIGHT [148] and Jemima CLARK [7225], was born on 17 Feb 1834 in Tioga Centre, NY.^{4 11} In 1880 she was in Shoemaker.¹² She died on 8 May 1906 in Auburn, NY.¹¹ She married **George W. WOODCOCK** [7291].

The 1870 census indicates Miranda was born about 1822, which seems unlikely. We believe the dates of 1831 - 1833 in other records are more likely to be correct. Her obituary which was finally located in the Auburn Citizen (Auburn, NY) finally has a correct birthdate.

June 2, 1906 - "A TRIBUTE - Words of Commendation of Late Mrs. Hester M. Woodcock.

Mrs. Hester M. Woodcock was born Feb 17, 1834, at Tioga Centre and died on Tuesday evening, May 8, 1906, at the home of her daughter, Mrs. Charles Ohart of Auburn.

Her sudden death was a shock to her many friends. Mrs. Woodcock was a faithful, loyal Christian worker not only in the Wall Street M.E. church but in the work for temperance. She was a member of Frances E. Willard Woman's Christian Temperance union ever since the organization of that union 15 years ago. She spent over 40 years of her life working for this great cause. In her earlier life she was a member of the Loyal Temperance Legion, and was one of its organizers, also a member of the good Templars.

When strength was hers, she was known many times to break barrels of whiskey and of beer, and watch the contents run out upon the ground. How many fallen ones have been lifted by her prayers and helping hand, even dragging men, unconscious from the accursed drink, from in front of a fast approaching train.

In out Frances E. Willard Woman's Christian Temperance union, her especial work had been among the prisoners and jailers,

where she has done an endless amount of good; we can not even estimate the number who through her efforts and prayers have been brought to Christ, and to abhor liquor.

Her presence at the meeting of the union has always been so helpful, she was an inspiration to all about her. Our dear sister is sorely missed, not only at these meetings but in her beloved church, for she never was so happy as when working for her lord and master. We do extend to the beloved daughter and family the heartfelt sympathy of every member of Frances E. Willard Union."

George W. WOODCOCK¹³ [7291] was born c. 1823.¹³ He and Esther Miranda WRIGHT had the following children:

In a Probate record from the village of Owego, County of Tioga, January 20, 1866 (see full probate record under James Wright), Adeline is listed as Adeline Vaunostran. Perhaps she had a brief marriage, but no record of that has been found.

Geneologist Dave gustner notes: "I suspect that what we read as Vaunostran should actually be Vannostran or Van Nostran. In some other New York wills at about the same time period there are two or three Van Nostrons mentioned including a couple in the same village of Owego noted in the James Wright court record you found.

Wright, who requires no introduction to the farmers of this section, having enjoyed their confidence and patronage in another line of business for years. Mr. Wright helped to build the condensary and installed all of the apparatus. He has been, virtually, superintendent of the manufacturing for some time, so that we have every reason to believe he will conduct the plant successfully and that all its patrons will be given square and liberal treatment on all their transactions. As we have stated before, the milk receipts and business of the factory are showing a constant and satisfactory growth."

Mr. Carter says the building business is booming in many sections of the city."

December 17, 1915 - "From a postal card received this week we learn that Lester Wright and family have moved from Royal Oak to Highland Park. Wright & Carter, who are engaged in building in Detroit, had rather good luck, a few days ago, when the city decided it wanted for school purposes the land on which they had three houses nearly completed and bought the property from them. One of these houses Mr. Carter intended to occupy himself, and as a consequence of the city's action he was compelled to rent a house until such time as he can build another. "

December 24, 1915 - "L. A. Wright and family, of Highland Park, spent Christmas with relatives and friends in this vicinity. Mr. Wright returned to his home, Monday, but the other members of the family will remain until after New Years."

From the History of Michigan by Charles Moore, 1915.

"Lester A. Wright. Though still in his twenties, Mr. Wright has shown the qualities of a progressive and successful man of business, and is one of the ablest merchants of Clio. He is a lumber dealer and manufacturer in that locality, and if past performances are a criterion by which to judge the future, Mr. Wright has a career of splendid accomplishments before him.

He was born in Saginaw county in Birch Run Township, December 12, 1877, a son of George W. and Cecelia (sic) (Weeks) Wright. The ancestors on the paternal side are English, though the paternal grandmother was Scotch. The Weeks family were likewise of English origin, and among the early settlers of Michigan, while the Wrights first settled in New York. George W. Wright was born in New York, and in 1863, when twelve years old, the family settled as pioneers in Birch Run Township of Saginaw county. George W. Wright is still living, and is a very successful man. In politics he is Republican, and has membership in the Methodist church. Cecelia Weeks was born in Michigan, in Genesee county, and her father was one of the pioneers of this section, a hunter and trapper in the early days, and later a substantial farmer. He is also still living, and of her six children, five are alive, as follows: Myrtie Wright, deceased; Lester A.; Arthur C. Wright, who is a farmer in Birch Run Township; Clara, wife of Irvin Covert, of Clio; and Hattie, wife of George Zeuligg, a farmer of Birch Run township.

Lester A. Wright grew up on a farm, had a country school education and finished with the Lamar village schools. At the age of eighteen he left school and took up th active work of a career and continued at farming until he was twenty-two. Learning the carpenter's trade, he followed that vocation as a journeyman, and gradually got into contracting, which was his exclusive work up to 1909. He then established the L.A. Wright Lumber Company at Clio, his associate in the enterprise being Ernest May. This firm also conducts another lumber yard at Mount Morris and outside the city of Flint they do the largest lumber business in Genesee county. Mr. Wright has membership in the Michigan Retail Lumber Dealers' Association. He is still actively identified with building and contracting business, and his record in that line included a large number of important structures in Genesee county. In the spring of 1912 Mr. Wright entered the manufacturing field when he took the general management of the Clio Manufacturing Company, a new industry, the output of which is tables. The factory employes about eighteen workmen and the business is getting well established an promises to be a very important local institution in the village of Clio. Mr. Wright is a Republican, but little part in politics except as a worker for good government and the best interests of his home community. He has served as councilman for several terms and is now president of the Clio Board of Trade. His church is the Methodist. On October 12, 1899, he was married in Vienna, Genesee county, to Miss Grace R. Rose who was born in Michigan, a daughter of Ransom K. Rose, one of the early settlers in Genesee county. They have two children, Gladys, born November 1, 1900, at Birch Run; and Harold R. Wright, born November 14, 1909, at Saginaw."

This company is headed by L. A. Wright who at one time ran the lumber yard here."

December 25, 1919 - "L. A. Wright of Detroit, was a pleasant caller at The Messenger office, this week. He says the building business has been booming in Detroit, the past year, and that his firm, during that period, has built thirty-six houses."

Two booklets giving historical accounts, Railroad Nostalgia and Down Memory Lane, report "On the east side of the tracks, and at the north end of Railway Street, L.A. Wright manufactured sash and doors, and in partnership with Ernest May, established the May Lumber Company. The company built about 30 homes and the Thetford Church. A disastrous fire destroyed the business in 1914". Newspaper accounts also show Lester in the Hard Coal business as well as the founder of the Clio Condensary. In 1913, at a cost of \$40,000 a factory was erected adjacent to the railroad, west of the tracks and on the south side of Johnson Street. The promoters planned to buy milk from farmers and process it into powdered milk. It soon became evident that more water was needed than their well could produce. More bad luck followed because of two disabling fires. After the construction of an expensive pipe line and pumping station for obtaining water from the Pine Run Creek, the company was sold to the Detroit Creamery Co. in 1915.

The following are articles from the Royal Oak Tribune:

July 30, 1915 - "L.A. Wright, of Clio is the guest of his brother-in-law, R.H. Rose. Mr. Wright was formerly interested in the milk condensery at Clio, but a few days ago the plant was entirely consumed by fire. He is thinking of locating in this village and engaging in a general contracting business, which was his business before becoming connected with the milk condensery."

August 20, 1915 - "Mr. and Mrs. L.A. Wright and family, from Clio, have moved to their home on Pleasant street."

September 15, 1915 - "A family gathering was held at the home of Rosina Rose on Seventh street, Sunday, the following guests being present: Mr. and Mrs. William M. Hall, of Troy; Mr. and Mrs. P.W. Parmenter and children, of Troy; Mr. and Mrs. Edgar Burley, of Clio; Mr. and Mrs. L.A. Wright and daughter, of this village, and Mr. and Mrs. Richard Rose and daughter, of this village. A sumptuous banquet had been prepared for the occasion."

In 1918 Lester and Grace moved to Detroit, first living at 519 Navahoe and then in 1925 they moved to 463 Algonquin Ave. Lester was a successful builder in the Detroit area for many years, and retired to a home in Grosse Pointe in 1940. Lester Wright died in his home at 76 Hawthorne blvd. in 1948.

The Obit Daily Times reports that the Oakland Press of 2/9/2005 lists the death of Lillian A. LaPratt, 98, Keego Harbor.

The database of the U.S. Public Records Index reports the birth of Lillian A. LaPratt as 15 June 1907. This date was corrected to January 29, 1907 by her son-in-law, Michael Schons, husband of Janice K. LaPratt²⁹⁴.

Our copy of the Obituary of Irving Wright in the Flint Journal, July 13, 1937, states that Lillian LaPratt lived in Alba. This should have been Alba according to her son-in-law, Michael Schons. Also, Michael reports: "My wife (Janice K LaPratt, daughter of Lillian and Raymond LaPratt) actually own the Alba home as a second home here in Michigan, The house is over 160 years old and Raymond bought it from the original owners family. I have the title information. Located at 6089 Alba Hwy., Alba, MI 48611. Almost all of the fifteen siblings were born in Alba through Linda Jean LaPratt. Janice was born 7/16/1953 in Pontiac, MI."

Michigan Death Records reports that Florence Swindlehurst died on December 31, 1944 in Lansing just a year and a half after her marriage to Gerald. I find no record of a divorce and, in fact, her marital status on the death record is "married." This is a bit of a puzzle too, since Find A Grave shows her as Florence Dyer supported by a photo of the marker. She is buried with first husband Charles Dyer in Glendale Cemetery, Okemos.

November 25, 1952 - Mrs. Augusta Harter returned home Saturday from Luke;s Hospital in Marquette and is confined to her home. Mrs. Harter fell at her home November 12 and fractured her left leg six inches above the knee.^{343,344}

There is some confusion in the records concerning Emma. First, she is variously shown as Emma (or Emma A.), Augusta (or Augusta A.) or Amy Augusta. From the records we have sourced, it seems likely that Emma Augusta Ackley is correct. Secondly, different sources provide different birth dates. We currently show November 1879 based on The Descendants of Edward Ackley but this is likely incorrect. The correct birth date is probably March 29, 1879 in Millington from Tuscola County Birth Register.

Obituary of Beth Arleen Wright in the Flint Journal, September 1929.

" 3 YEAR OLD GIRL IGNITES CLOTHING, DIES OF BURNS; Burned over nearly the entire surface of her body when her clothing became ignited while she was playing with matches last night, three-year-old Beth Wright, 1360 Washington Ave., died at 7:15 a.m. today at St. Joseph Hospital. The tragedy occurred about 8 p.m. Sunday. Beth had been playing about the yard while her parents, Mr. and Mrs. Oliver Wright, were sitting on the front porch of their home, chatting with neighbors. All unknown to them, she obtained the matches. It is believed she could not have gotten them from the house for the back door was locked and she was not seen to go in at the front door. Lighting them, she tried to ignite a pile of rubbish in the back yard but succeeded only in firing her clothing. A mass of flames, she ran screaming up the back porch and tried to open the door. Her father heard her screams and ran to her aid. He was able to extinguish the flames only after Beth had been deeply burned. She was rushed to St. Joseph's Hospital, where she died after remaining in a semi-conscious state during the night. Prostrated by the shock of the misfortune the child's mother was in a serious condition today. The body was removed to the Howard P. Lynch funeral home. Funeral was the 4th of September, with burial in Avondale Cemetery, row 126, block L, lot 29."

From the Clio Messenger.

1924-07-10 - "Mr. and Mrs. Melville Dick and daughter, Joan, of Detroit, spent several days the past week with friends in Clio."

From the 1920 Wayne County census it was learned that Mary Dick (David's mother) lived at 166 Cortland Avenue in Highland Park.

Lester, Grace, Gladys and Harold Wright moved from Clio to Highland Park in 1916. Their address was 200 Cortland and they apparently lived there only one year. We had always heard that David Melville Dick left home at a very early age which accounts for his absence in the 1920 Mary Dick household. However, in 1916 David would only have been 14 years old and quite likely was still living at home. Assuming that Mary Dick and children were living on Cortland in 1916 it seems very likely that Gladys and David were neighbors. Looking at Mapquest maps, they probably lived no more than 4 or 5 houses apart. Looks like they met on Cortland Avenue in 1916 when David was 14 and Gladys was 16 and, of course, we know that they were married in September 1919.

From a September 16, 1969 newspaper article. "50th Anniversary Celebrated By Wolverine Couple. Mr. and Mrs. David Dick, 1865 Ladd Rd., Wolverine Village, were feted at a surprise party given by their children in celebration of their 50th Wedding

Anniversary on Sunday Sept. 7, 1969. The couple were wed on September 11, 1919, at the North Woodward Presbyterian Church in Detroit. They have been residents of Wolverine since 1941. Since their children have grown and moved away from home the Dick's miniature poodle "Tammy" helps fill the gap of loneliness. She has been a member of the Dick family for over six years. When asked, "who is boss in a family with 50 years of marriage behind them," the immediate answer of both Mr. and Mrs. Dick was, "Tammy". Mr. Dick responded to the question of how do two people live compatibly for this length of time by saying, "Both husband and wife need that intangible something inside them make them stick to it. Too many young people today go into marriage with the thought that if it doesn't work we'll get a divorce. Divorces are too easy," Dick, now retired, was in the building business for most of their wedded life and they have moved from one house to another right on their street as he completed homes. Still extremely skilled with tools of the trade many items around their present home are expressive of his handiwork, including an attractive windmill sitting in their waterfront lot. The anniversary party was held at the home of their daughter, Mrs Harold Gustner, in Southfield. Over 50 guests enjoyed a buffet and 4-hour open house. Life long friends Mr. and Mrs. Monroe Stroecker attended from Port Charlotte, Florida. Other children of the Dick's who joined giving the party include their daughters, Mr. Robert Wallace, Union Lake, Mrs. Ray Greening, Wolverine Lake, and a son, Glen Dick, Union Lake. The Dicks also have 16 grandchildren."

Mr. Wright was a graduate of the University of Detroit, holding degrees in both Architectural and Civil Engineering. He retired to Gaylord in 1974 after a career in his own firm. His contributions

include the design and building of hundreds of homes, factories, office buildings and churches. Mr. Wright was known as a master craftsman, with hobbies in woodworking, sculpting and painting. His devotion to family and church was evidenced in his activities such as such as Scouting, where he founded and served as Scoutmaster of Troop 479 in Grosse Pointe. His contributions to several churches were donations of outstanding architectural and engineering designs. Mr. Wright is survived by his wife of 53 years, Margaret, sons Kenneth and Donald and 5 grandchildren."

Margaret Higgin was born at home, 90 Medland Crescent, Toronto, Ontario, Canada. She was born at 5 am on July 30, 1913. In attendance was Doctor Minerva Reid.

When Margaret was a baby, possibly two years old, she crawled out an upstairs window onto the roof. A neighbor, Mrs Dwyer, called her mother to tell her that her daughter was on the roof.

When Margaret was five years old, she remembers being outside with her friend Rita Dwyer listening to all the horns honking and bells ringing on November 11, 1918 when World War I was over.

Excerpt from an e-mail written by Ken Wright to David Gustner and Lynne Greening, 4/16/2000. "That brought to mind the wedding announcement of Mom and Dad that said they were going to live at 463 Algonquin after their marriage, so I just called Mom to ask about it. She said they never did live with Lester and Grace. They rented an upstairs apartment first, on a street that she can't remember. Then they rented a house on Eastlawn, then rented at 5039 Lakepointe, where they were when I was born (1938), then moved to another rented house on Lakewood. Then Dad built the house on 60 Hawthorn Blvd in 1941. She could not remember any of the street numbers, but I have a letter addressed to them at the 5039 Lakepointe address. I had no idea that they lived in so many places before Hawthorne, or that they were renting rather than buying. I had just assumed that they lived in a house built by Dad and Lester. Wrong! Another thing she mentioned that I didn't remember is that Lester and Grace moved to Grosse Pointe after Mom and Dad. She thought about a year, making their move from Algonquin to Hawthorn in 1942." We later learned the actual sequence and addresses of where Harold and Margaret Lived.

1935 - 1937, 1350 E. Grand Blvd. Apt 109, Detroit

The following information was provided by Edith Zuellig Zeilinger on a tour of the area with Kenneth D. Wright on May 20, 2000.

At the time of Edith's birth, her parents were living in a home previously owned by her grandparents, George and Celia Wright. This home was the first home of George and Celia and was located on Courtney Road, between Gara Road and Old Plank Road

(Now Dixie Hwy). The road has been renamed Wenn Road and the home still exists at 10375 Wenn Road. George and Hatti Zuellig then moved to a 40 acre farm on Canada Road east of Block Road. The barn is still in existence (May, 2000) at 12627 Canada Road. Edith remembers walking to a school, also located on Canada Road but was unable to identify where it was for sure. George Zuellig's brother Charles, owned a farm on the south east corner of Block and Canada Roads and that structure still exists. Another brother of George, owned a farm on the west side of Block Road 1/2 mile north of Canada Road. Edith married Charles Zeilinger in 1933 and they built their first house in 1935 on 130 Franklin in Frankenmuth. The house still stands in immaculate condition. In May of 1965 they moved to 444 Mary Cove, only a few block away. In 1978 they moved to an apartment at 227 Churchgrove Road, where Edith still lives today. (May, 2000). All three of her last residences are within a 1/2 mile radius.

From a newspaper announcement of her 90th birthday.

"Edith is a member of St. Lorenz Lutheran Church. Although she has been legally blind for over 10 years, she is an avid golf fan, never missing any televised games. David Gustner is the primary family researcher for most of the related lines on this website. To say that he is the most talented and organized researcher we have ever seen does not begin to give credit to his extraordinary ability. Few families have the luxury of having such a man working almost full time to track down the past in a most unbelievable manner. Dave is magic! He can find anybody. To attest to that, one only needs to examine the bulk of this work. He has made our ancestors come alive. We feel like we know many of them because Dave has located and shared so much information about them. He has certainly become our "knowledge base" and we are thankful and grateful for his remarkable talent.
